MISSIONARIES TO THE WORLD

20/20 VISION

20 MILLION SCRIPTURES / 20 NATIONS

Summer / 2020

Dear «Name»,

Noteworthy News

These are certainly interesting days we live in! While COVID-19 has delayed some of our projects, God is still working. Thus far in 2020 we have shipped 383,000 Scriptures to Peru, Nigeria, the Philippines, and Mongolia. We now have several pending projects including containers for southern Africa and Kenya, as well as shipments to Kiribati, Gabon, Honduras, Cuba, and Venezuela. While we did not have many shipments go out the last few months, we have been busy publishing Spanish discipleship materials as well as online ministry resources including a Spanish discipleship channel (youtube.com/CrecimientoCristianoValera1602org). Our goal is still to ship 20 million Scriptures to at least 20 nations on all continents, as God enables.

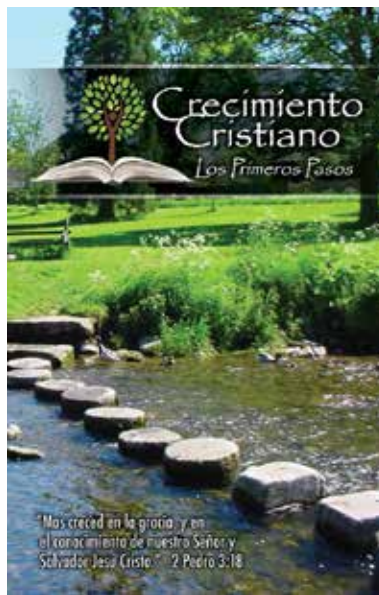

Prayer Petitions

Please pray that the Lord would open doors and enable us to get the *seed* out of the barn despite COVID-19. Also pray for:

- Mission trip converts' growth
- Postponed trips / COVID-19
- 10 million tracts shipment

Pray that God would enable us to have spiritual *20/20 Vision*, by providing His word to needy souls. Thank you for partnering with us to get the word of God to a lost and dying world through your prayers and giving!

The First Steps

Johnson's Journal

Allen and Dema are loving the new grandparents' stage. Our granddaughter, Kennedy Joy, is only 4 months old but she already has us wrapped around her finger! Nathaniel started working at Chick-fil-A to save money for Bible college. Allen got to lead a Mexican and a Spaniard to Christ online and continues doing discipleship. We are trusting the Lord to use us for His cause and glory and enlarge our *20/20 Vision*! Thanks again and may the Lord bless you as you faithfully serve Him.

Proclaiming in PERU

"I praise God for the opportunity to go on the Wings missions trip to Peru. I fervently asked God to show me my next step in serving Him. The Peru trip is where He led me. My first response was not completely ok with this trip, as dealing with the airport was way out of my comfort zone. But I'm so blessed God led me to taking this trip. A part of my heart will forever be in Peru, for the brothers and sisters in Christ there and especially the lost.

On this trip God showed me first hand the great need other countries have for the word of God. Quite a few of the living conditions there were a little rough, but their biggest need was Christ. So many were glad to receive what was given and took the time to read it. I will forever be moved by how receptive they were to what God had for them and how God worked in many lives down there. I pray for continued fruit to abound.

I enjoyed handing out the Romans and invitations to all who would take it. Ninety percent of the people I met took it with a smile and said thank you. The Peruvian believers I met there were so kind and loving they felt like family immediately. I also was blessed by getting to know the other team members and seeing their heart for the lost. I learned a lot from each of them as well.

The Wings trip in itself was very organized and focused on getting the word of God to the lost. What an awesome blessing to witness sixteen professions of faith. As the days progressed on the trip it was so neat to see fruit from the labor. The first that touched my heart was seeing Mr Johnson speaking and praying with a young man across the street from where my scripture handout partner and I were, and finding out later he accepted the Lord as Savior. Then that night was the first church service. To see so many go forward to get saved was so moving you could feel God's presence. Among the people going forward was Milton, one of our van drivers we had been praying for. God is so good. To top that off we got to hand out Bibles to the visitors who came to the meeting. What an awesome privilege to hand out God's word! The next event was the youth rally. It was a lot of fun and great to see all the kids that came to the meeting. Then came the Sunday services. I enjoyed the experience of a church service in Peru. Then to top it all off, on the last day as we were gathering in the hotel lobby to leave for the airport, Mr. Johnson was able to sit in the dining area and speak with the two sweet people who fed us breakfast and dinner all week. And praise the Lord, they both got saved! I'm so blessed to have met Monica, Aldair and Milton, who are now brothers and sisters in Christ.

The whole trip was a blessing I will never forget and pray for an opportunity to go again in the future. I highly suggest asking the Lord to open a door for you to go on a missions trip."
