

TRUE VICTORY IN 2026

THE Johnsons
MISSIONARIES
TO THE WORLD

Your Personal Invitation

We praise the Lord for what He has done through Wings Bearing Precious Seed and its supporting churches. We are looking forward to our **49th Anniversary Bible Conference** (October 26-28, 2026) at Hope Baptist Church in Warsaw, Indiana. We know you share our desire to get the **word** to the world and we believe you will be encouraged and challenged in that endeavor at our meeting this year. As usual, we will have powerful preaching, marvelous music, and fantastic fellowship. We will also have split sessions for the ladies, and hear missionary testimonies from the field. Furthermore, we will jointly host the Northern Indiana Baptist Fellowship on Tuesday morning, and assemble Scriptures with the HBC BPS ministry after lunch. Plan on joining us and don't miss it!

There is no registration fee but please RSVP to help us better prepare for meals and materials. Please contact me to find out about the Pastor's Appreciation Meal on Monday. Please see the enclosed flier and directions to the meeting as well as an invitation letter from our host, Pastor Stephen Williams. Following is a general schedule (**all times are local Eastern time zone**) as well as hotel information:

Dear Fellow Laborer,

On behalf of Hope Baptist Church and WBPS, I want to invite you and encourage you to attend the upcoming WINGS Bearing Precious Seed Conference. By God's grace, this meeting will be a time of refreshment for each of you as you serve the Lord and will help provide renewed vision for the cause of Christ.

Not only will many of you see firsthand the fruit of your prayers and support, but you will also enjoy fellowship with like-minded pastors, stirring messages from God's Word, and the joy of hearing testimonies of how the Scripture portions are reaching souls around the world. It will be our joy to host the Northern Indiana Baptist Fellowship on Tuesday morning along with the conference.

We are praying that this entire WINGS conference will be a time of reviving God's saints, practical refreshment, and renewed burden for the harvest fields of the world.

My desire is that you will leave the conference strengthened personally, encouraged in your ministry, and excited to share with your church what God is doing through His Word.

Attending the conference will doubtless require a level of sacrifice, but everything worthwhile does require some level of sacrifice. And I know our Lord will bless your time spent as you take a step of faith in attending this conference.

Please prayerfully consider joining us. And if there is anything we at HBC can do to help make your stay possible, please do not hesitate to reach out to us.

Looking unto Jesus,

Stephen Williams
Senior Pastor
